BE SAFE TAKE PRECAUTIONS

- Low lying power lines are dangerous and approaching or touching fallen power lines can cause serious injury or electrocution.
- Any fallen power line should always be regarded as live.
- Members of the public are instructed to stay at least 8 meters away from fallen power lines.
- For your own safety please do not BURN anything near FEA pillar boxes or under FEA power lines.

To report low lying power lines or fallen power lines please call FEA on emergency telephone number 913.
