- 14.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.
- 14.4 If the outer envelope is not sealed and marked as required by Clause 15.2, Fiji Electricity Authority will assume no responsibility for the tender’s misplacement or premature opening.

## 15. Deadline for Submission of Tenders

- 15.1 Tenders must be received by Fiji Electricity Authority on **Wednesday 25<sup>th</sup> February 2015, no later than 4:00pm.**
- 15.2 Fiji Electricity Authority may, at its discretion, extend this dead line for the submission of tenders by amending the tender document in accordance with clause 5, in which case all rights and obligations of Fiji Electricity Authority and tenderers previously subject in the deadline will thereafter be subject to the deadline as extended

## 16. Modification and Withdrawal of Tenders

- 16.1 The tenderer may modify or withdraw its tender after the tender’s submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by Fiji Electricity Authority prior to the deadline prescribed for submission of tenders.
- 16.2 The tenderer’s modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of Clause 15. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked no later than the deadline for submission of tenders.
- 16.3 No tender will be modified after the deadline for submission of tenders.
- 16.4 No tender will be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form.

## Opening and Evaluation of Tenders

### 17. Opening of Tenders

- 17.1 Fiji Electricity Authority will open all tenders with the presence of Fiji Electricity Authority nominated Tender Committee, without presence of the bidder's representative.
- 17.2. Each member of the tender committee will initial tender pages of the tender documents and record total price tendered before submitting to the Tender Evaluation Committee for further evaluation.

### 18. Clarification of Tenders

- 18.1 To assist in the examination, evaluation and comparison of tenders Fiji Electricity Authority at its discretion, may ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

Any effort by the tenderer to influence Fiji Electricity Authority in its decision on tender evaluation tender comparison or contract award may result in the rejection of the tenderer's tender.

### 19 Preliminary Examination

- 19.1 Fiji Electricity Authority will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the tenders are generally in order.
- 19.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the tenderer does not accept the correction of the errors, its tender will be rejected. If there is a discrepancy between words and figures, the amount in words will prevail.
- 19.3 Fiji Electricity Authority may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 19.4 Prior to the detailed evaluation, pursuant to Clause 21, Fiji Electricity Authority will determine the substantial responsiveness of each tender to the tender

document. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender document without material deviation. Fiji Electricity Authority's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

- 19.5 If a tender is not substantially responsive, it will be rejected by Fiji Electricity Authority and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

## **20. Evaluation and Comparison of Tenders**

- 20.1 Fiji Electricity Authority will evaluate and compare the tenders, which have been determined to be substantially responsive, pursuant to clause 18.
- 20.2 Fiji Electricity Authority's evaluation of a tender will exclude and not take into account any allowance for the price adjustment during the period of execution of the contract, if provided in the tender.
- 20.3 Fiji Electricity Authority's evaluation of a tender will take into account, in addition to the tender price and the price of incidental services, the following factors:
- a) Compliance to Instruction to Tenderers pursuant to Clauses 1.1 and 1.2;
  - b) Compliance to the tender requirements pursuant to Clauses 11, 12 and 13;
  - c) Compliance to the technical specifications;
  - d) Compliance with Section E notes 1,2,3,4,5, 6, 7 and 8;
  - e) Tender validity of not less than 90 days;
  - f) Delivery period offered in the tender. The delivery period should not exceed 8 weeks (Two month) after the date of signing the Contract;
  - g) Documentary proof of successful delivery of similar assignment deviation in payment schedule from that specified in the Special Conditions of Contract
  - h) Documentary proof of successful delivery of similar assignment.

## **21. Contacting Fiji Electricity Authority**

- 21.1 Subject to Clause 18, no tenderer shall contact Fiji Electricity Authority on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.
- 21.2 Any effort by a tenderer to influence Fiji Electricity Authority in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the tenderer's tender.

## **Award of Contract**

### **22. Award Criteria**

- 22.1 Subject to Clauses 9, 21 and 25 Fiji Electricity Authority will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest **evaluated** tender.

### **23. Fiji Electricity Authority's Right to Vary Quantity**

- 23.1 Fiji Electricity Authority reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions.

### **24. Fiji Electricity Authority's Right to Accept or Reject Any or All Tenders**

- 24.1 Fiji Electricity reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for its action.

### **25. Notification of Award**

- 25.1 Prior to the expiration of the period of tender validity, Fiji Electricity Authority will notify the successful tenderer in writing that its tender has been accepted.

### **26. Signing of Contract**

- 26.1 At the same time as Fiji Electricity Authority notifies the successful tenderer that its tender has been accepted, Fiji Electricity Authority will send the tenderer the Contract document incorporating all agreements between the parties.
- 26.2 Within five (5) working days of receipt of the Contract document, the successful tenderer shall sign and date the contract and return it to Fiji Electricity Authority

### **27. Corrupt or Fraudulent Practices**

- 27.1 Fiji Electricity Authority requires that tenderers observe the highest standard of ethics during the Procurement process and execution of contracts. In pursuance of this policy, Fiji Electricity Authority:-

- a) defines, for the purposes of this provision, the terms set forth below as follows:
- I. “*corrupt practice*” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
  - II. “*fraudulent practice*” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of Fiji Electricity Authority, and includes collusive practice among tenderers (prior to or after tender submission) designed to establish tender prices at artificial noncompetitive levels and to deprive Fiji Electricity Authority of the benefits of free and open competition;
- b) Will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question
- c) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.

27.2 Furthermore, tenderers shall be aware of the provision stated in the General Conditions of Contract.

## **Section C: General Conditions of Contract**

### **1. Definitions**

1.1 In this Contract, the following terms shall be interpreted as indicated:

- a) “The Contract” means the agreement entered into between Fiji Electricity Authority and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- b) “The Contract Price” means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
- c) “The Supplier” means the individual or firm supplying the goods under this Contract.

- d) "The Goods" means all of the equipment, machinery, and/or other materials, which the Supplier is required to supply to Fiji Electricity Authority under this Contract.

- 4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications.

## **5. Use of Contract Documents and Information**

- 5.1 The Supplier shall not, without Fiji Electricity's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of Fiji Electricity Authority in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract.
- 5.2 The Supplier shall not, without Fiji Electricity Authority's prior written consent, make use of any document or information enumerated in Clause 5.1 above.
- 5.3 Any document, other than the Contract itself, enumerated in Clause 5.1 shall remain the property of Fiji Electricity Authority and shall be returned (all copies) to Fiji Electricity Authority on completion of the Supplier's performance obligations under the Contract if so required by Fiji Electricity Authority.

## **6. Patent Rights**

- 6.1 The Supplier shall indemnify Fiji Electricity Authority against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in Fiji.

## **7 Packing**

- 7.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract.
- 7.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract.

## **8. Delivery and Documents**

- 8.1 Delivery of the Goods shall be made by the Supplier in accordance with the terms specified by Fiji Electricity Authority in its Schedule of Requirements and the Special Conditions of Contract.
- 8.2 The supplier shall provide both Air Freight Charges and Sea Freight Charges

## **9. Insurance**

- 9.1 The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery in the manner specified in the Special Conditions of Contract.

## **10. Warranty**

- 10.1 The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models and they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, workmanship, or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country.

- 10.2 This warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract.
- 10.3 Fiji Electricity Authority shall promptly notify the Supplier in writing of any claims arising under this warranty
- 10.4 Upon receipt of such notice, the Supplier shall, within a period of 30 days, and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to Fiji Electricity Authority.
- 10.5 If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in 10.4 above, within a reasonable period, Fiji Electricity Authority may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which Fiji Electricity Authority may have against the Supplier under the Contract.

## **11. Payment**

- 11.1 The method and conditions of payment to be made to the Supplier under this Contract shall be specified in Special Conditions of Contract.
- 11.2 Payments shall be made promptly by Fiji Electricity Authority as specified in the Contract.

## **12. Prices**

- 12.1 Prices charged by the Supplier for Goods delivered under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices quoted by the Supplier in its tender.

## **13. Assignment**

- 13.1 The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with Fiji Electricity Authority's prior written consent.

## **14. Subcontracts**

- 14.1 The Supplier shall notify Fiji Electricity Authority in writing of all subcontracts awarded under this Contract if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the Supplier from any liability or obligation under the Contract.

## **15. Termination for Default**

- 15.1 Fiji Electricity Authority may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate this Contract in whole or in part:
- a) If the Supplier fails to deliver the Goods within the period(s) specified in the Contract, or within any extension thereof granted by Fiji Electricity Authority.
  - b) If the Supplier fails to perform any other obligation(s) under the Contract.
  - c) If the Supplier, in the judgment of Fiji Electricity Authority has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
- 15.2 In the event Fiji Electricity Authority terminates the Contract in whole or in part, it may procure, upon such terms and in such manner, as it deems appropriate, Goods similar to those undelivered, and the Supplier shall be liable to Fiji Electricity Authority for any excess costs for such Goods

## **16. Liquidated Damages**

- 16.1 If the Supplier fails to deliver the Goods within the period(s) specified in the Contract, Fiji Electricity Authority shall, without prejudice to its other remedies under the Contract,

## **17. Resolution of Disputes**

- 17.1 Fiji Electricity Authority and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- 17.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to formal mechanisms. These mechanisms include, but are not restricted to, conciliation by a third party, adjudication in an agreed national or international forum, and/or international arbitration.

## **18. Language and Law**

- 18.1 The language of the Contract and the law governing the Contract shall be English language and the Laws of Fiji respectively unless otherwise stated.

## 19. Force Majeure

- 19.1 The Supplier shall not be liable for forfeiture of termination for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
